

# Training and Career Opportunities

## Join Our Team!

HaiSea Marine is a partnership between the Haisla Nation and Seaspan; agreements are in place to ensure members have access to training, employment, and business opportunities. There are many ways to get involved, whether at sea or onshore.

Hiring is beginning in 2023, so please reach out with any questions about positions, qualifications, and training opportunities.

### Positions on the Operations and Maintenance Facility

(hiring beginning late 2023)

- Operations Manager
- HSEQ Advisor
- Engineering Superintendent
- Port Mechanic
- Electrician

**Are you interested in a sea-going position** but don't have all the qualifications or experience?

**There is fully funded training and sponsorship available** through marine programs like BCIT's Enhanced Bridgewatch Rating and others – reach out to us with any questions and for more information!

### Positions at Sea

- Master
- Mate
- Engineer
- Cook/Deckhand
